Hi Tom and Pat,

One more thing I forgot to mention, the number of homes with nitrate above 10.0 mg/L was miscounted before. It is 48. I think we listed 44 or some other number before.

Thank you,
Jenny

Subject: New Letter to AGC Is on the SharePoint

Hi Tom and Pat,

I just put the CSD Team's edited letter on the SharePoint site and sent you a link. It is in the Communication with the Company folder and is called 08012018 AGC Draft Letter.docx. We would like you to read it and agree to changes before it is passed on to Debbie and Linda. If you have any questions, please let us know.

Thank you,
Chuck, Cheryl, Dean, and Jenny
